- Mentorship & project guidance.
- Placement support & career pathways.
- Blend of cultural values + modern creativity.

Creative World
ANIMATION ACADEMY
RIGHT GURU. RIGHT CAREER.

Meet Our Founder

LINGANABASAPPA HEBBAL
Founder & Senior Faculty,
Creative World Animation Academy

Experience

17+ years in Animation, VFX, and Design education. Former faculty and center head at Reliance Animation, Arena Animation, and Image Infotainment Limited.

Leadership

Founded Creative World Animation Academy, MSME-registered, with a mission to blend creativity, technology, and mentorship.

Awards & Recognition

Honored with Best Kalakar and Creative Painter titles for outstanding contributions to art and design.

Philosophy

Believes “Education is Service, not Commerce.” Every student is nurtured with personalized mentorship under the guiding principle “Right Guru. Right Career.”

Community Impact

Actively involved in cultural and youth empowerment initiatives in Erode, Karnataka.

Vision

To empower the next generation of creators with industry-ready skills, ethical values, and global opportunities.

Public Art & Educational Projects

Contributed as an artist to Government of Karnataka’s cultural initiatives including Anda-Chanda, Kali-nali, and Sarvashishana Abhiyana. Created visual content and educational illustrations for NPEGEL and Bala School programs, helping children engage with art and storytelling in meaningful ways.

Founder’s Message

“Creativity is not just a skill, it's a service to society. At Creative World, we guide students to turn imagination into impactful careers.”
